Letter No.616/G, dated the 30th April 1930, from the Commissioner of Police, Civil and Military Station, Bangalore, to the President, Municipal Commission, Civil and Military Station, Bangalore.

I have the honour to request that the following suggested bye-law be put before the Municipal Commission for consideration:-

"Every bicycle must be fitted with a reflector fixed on the rear stays or mud guard in such a position as to reflect light thrown on it by a following vehicle."

Reasons.

It is almost impossible to see cyclists at night especially if they are wearing dark clothes. The cost of a reflector is small and it is a safeguard against accidents.

2. This may be added as a note to bye-law No.20 (5).
